

हम होंगे कामयाब

हम होंगे कामयाब, हम होंगे कामयाब
हम होंगे कामयाब एक दिन
हो-हो मन में है विश्वास
पूरा है विश्वास
हम होंगे कामयाब एक दिन।

होगी शांति चारों ओर,
होगी शांति चारों ओर
होगी शांति चारों ओर
एक दिन
हो-हो मन में है विश्वास
पूरा है विश्वास
होगी शांति चारों ओर
एक दिन

हम चलेंगे साथ-साथ
डाल हाथों में हाथ
हम चलेंगे साथ-साथ
एक दिन
हो-हो मन में है विश्वास
पूरा है विश्वास
हम चलेंगे साथ-साथ एक दिन।

नहीं डर किसी का आज
नहीं भय किसी का आज
नहीं डर किसी का आज के दिन
हो-हो मन में है विश्वास
पूरा है विश्वास
हम होंगे कामयाब एक दिन।

LOVING THE WRONG PERSON IS DANGEROUS FOR LIFE

Loving the wrong person
Can feel like a storm to some
And when they cannot escape it
Some times they end up
Spending their entire lives
Hopelessly waiting for the sun.

WHEN TOPPERS FALL : Lesson From Failure

In every classroom, toppers are often seen as unstoppable forces-aces at academics, always on top of their game and admired by many. But what happens when even toppers face a downfall ? It might surprise you, but even the best students stumble and that's okay.

Life is not about never failing; it's about how you rise after a fall. Toppers like everyone else, are human. They too face challenges-be it tougher competition, personal struggles or simply the pressure to stay at the top. Sometimes the fear of failure itself becomes their biggest enemy.

But here's the truth. Falling is not the end. In fact, it's a chance to grow. When toppers face setbacks, they learn resilience. They realize that success is not a straight line-it's a journey of ups and downs. Failure teaches them humility, patience and the value of hard work.

Take inspiration from famous personalities like APJ Abdul Kalam or Albert Einstein. They faced failures too, but instead of giving up, they used those moments to bounce back stronger. Toppers. Who embrace their mistakes often comeback with a fresh perspective and greater determination.

To all the toppers out there don't fear failure and to everyone else, remember falling doesn't mean you are weak. It means you are trying, learning and growing. Afer all, it's not about how many times you fall; it's about how many times you get back up.

So let's support each other, whether we are at the top middle or just starting out. Together we can rise above every downfall.
