

## THE RESPECTFUL ICON

The respectful ideal icon is none other than the M.D. (Managing Director) of our highly esteemed school, S.B.G.S.

The lady full of love from her heart and words, determined from her thoughts and laborious towards her work. I really admire her from the bottom of my heart. After coming closer towards her work and knowing her sacrifices which a common man can't ever think of, is very appreciable. She has become the ideal for our society or what we can say is "Hamare Gaon ki Lady".

Her journey from mother to M.D. and now from this to nations administration spells to be very simple but full of ups and downs. Her life is like the two parallel tracks. On her one shoulder/track, she is carrying the responsibility of her family and on the other track she is moving forward to achieve something unbelievable (her dream).

Her love and affection towards us is really fortunate for all of us and I am very glad to have her in the society of Sanskarians and to be with us.

## THE POWER OF DISCIPLINE AND DREAMS

**Good morning everyone, today I want to share a few words of Motivation.**

Life is a journey and every step we take decides our future. Success never comes overnight it is built with patience and hard work. We must remember that failure is not the end but a lesson to rise stronger. A student's real strength is discipline, dedication and determination. Failure is only temporary pause, not the end of the journey. Those who dare to dream are ones who change the world. Discipline is the bridge between goal and achievements. And to write that story, we need the right environment of learning. That environment is given us by Sanskar Bharti Global School, Phulparas, Madhubani. Here we are not just learning subject but learning how to live with values. Our teachers guide us like family and inspire us daily. The school builds our character along with our future. We are Proud of Sanskar Bharti Global School, ready to make our nation proud.
